Worlds Greatest Car Wash

September 8th 12:00 - 5:00 pm

Please let us wash your car at the Secondary Campus... **For FREE!!!** The 9th graders are raising money to go to Washington DC. They have been working for the past several weeks to get sponsors for this carwash. It is the only fundraiser the 9th graders will be doing this year. The carwash is absolutely free – which is why it is the World's Greatest Carwash! We will not accept donations at the wash.

If you know a 9th grader you would like to sponsor, you can text them and they can send you a link for the fundraiser that is specifically linked to them. Or you can access it online today by clicking [here](#). Once at the site you may specify which student you would like to directly support.

Thank you for helping us go on the greatest adventure of our lives.
