

COLE VALLEY CHRISTIAN SCHOOLS HIGH SCHOOL SUPPLY LIST 2018-2019

GENERAL SUPPLIES – All High School Students

- ✓ Agenda Planners are now being purchased by the student so they're able to choose the style and size they want
- ✓ A Bible (no paraphrased versions or electronic Bibles will be allowed to be used in Bible classes)
- ✓ A 3-ring Notebook with Dividers and Loose-leaf College Rule Paper
- ✓ No. 2 Pencils, Colored Pencils & Erasers
- ✓ Blue, Black & Red Pens
- ✓ Public Library Card
- ✓ Highlighters
- ✓ Book Covers – *all textbooks are required to be covered the first week of school*
- ✓ All high school students are required to bring an approved device and charger to school each day. Please [click here](#) for more information on our iBringIT program.

CORE CLASSES

BIBLE CLASSES

All high school Bible classes will need:

- Items listed under General Supplies are sufficient

ENGLISH

All high school English classes will need:

- Post It Notes
- White Board Markers

MATH – All math classes are required to have college ruled notebook paper and graph paper (1/4 inch or smaller) plus other required items below.

Integrated Math 1

- Composition notebook

Integrated Math 2/3/4:

- Composition notebook
- TI-84 graphing calculator

Geometry/Honors Geometry:

- Composition notebook
- Compass & Protractor
- Scientific Calculator (TI-30)
- Graphing/Grid paper

Algebra I /Algebra II/ Accelerated Algebra/Geometry/Trigonometry:

- Graphing/grid paper
- Scientific calculator (TI-30)

Honors Algebra 2/Pre-Calculus/Calculus*:

- 6" ruler
- Compass & Protractor
- Graphing/grid paper

- 1 ½" or 2" 3 ring binder
- Scientific calculator is required, but a TI-Nspire™ CX CAS (used by instructor) is recommended, though any advanced graphing calculator (like a TI-89) may prove helpful, but not necessary. For students planning to take Calculus, please get the TI-Nspire™ CX CAS (see below)

***Calculus:**

- TI-Nspire™ CX CAS (used by instructor), or comparable symbolically-capable calculator, is required. Ordering the CX CAS online (or a high end HP calculator) may be the easiest and most cost effective; in the past only the CX has been offered in the Treasure Valley and has been pricey. CAS stands for computer algebra system. The CX CAS has the added capability of symbolic differentiation and symbolic integration, along with other helpful advanced features for college math and science students.

Stats:

- Composition notebook
- TI-84 graphing calculator

SCIENCE**Advanced Robotics**

- None

Applied Science

- None

Biology

- Package of non- latex (Nitrile) disposable gloves

Chemistry/AP Chemistry/ AP Biology

- Quad ruled composition notebook

Environmental Solutions

- None

Human Anatomy and Physiology

- Single-subject spiral notebook (only 70 pages needed)
- Package of non- latex (Nitrile) disposable gloves

Physics

-
- 1 ½ or 2" 3-ring binder
- Graph paper (1/4 inch or smaller)
- Minimum requirement – scientific calculator, graphing calculator optional

AP Physics

- Protractor
- Scientific calculator
- Quadrille ruled composition book

Robotics

- None

STEM

- None

SOCIAL STUDIES

American & Honors American Government

- 1" 3 ring binder
- 4 large expo markers
- Post It tabs
