

Application for Student Academic Support Financial Aid

Student Academic Support fees do not fully cover the cost of our program. However, it is our desire that money is not an inhibitor to receiving services for those who need them to help reach their potential. The following process is designed to provide an objective means to determine aid amounts for those families who request it.

Process for applying for SAS financial aid:

- 1) Fill out this application.
- 2) Email or print and send the completed application to BusinessOffice@cvcsonline.org
- 3) Complete the Tuition Aid Application online through FACTS (if you haven't already).
- 4) A financial aid committee will review your applications and determine an award amount.
- 5) You will receive notification of the award amount.

Guidelines and Policies for SAS Financial Aid:

- Criteria for awards will be need based with need determined by the application and these general guidelines:
 - o Adjusted Gross Income
 - o Explanation of need in the application
 - o Number of students in your family that are in our school and in the SAS program
- In general, 25% will be the maximum award granted for SAS charges.

All information on this form is confidential. It will be reviewed by the financial aid committee only.
