Family to Receive Tuition Credit (if different than above): _____

Please check the boxes below to acknowledge your understanding of the information presented.

- I have created an account on ShopWithScrip.com for the purpose of tracking my Scrip purchases for Tuition Credit.
This is the only method of tracking my earnings.

- I understand that online orders, any order forms, and all payments, are due in the office by 9:00 am Tuesdays to be processed for delivery to me the following Tuesday afternoon. Any orders received after 9:00 am will be processed the following week. I may also purchase Scrip from our On Hand Inventory in the Elementary or Secondary campus offices during office hours. *Summer and Holiday delivery varies from the normal weekly schedule. An ordering schedule can be found on our website.

- I am aware that my family, friends, business and other contacts may participate on my behalf, with their purchases earning credit toward my tuition. They must set up a ShopWithScrip account and fill out their own Scrip Registration Form designating my family as the Family to Receive Tuition Credit.
