TAYLOR WOOD TECHNICAL SCHOLARSHIP

- This scholarship fund was set up from donations given in memory of Taylor Royce Wood who graduated from Cole Valley Christian School in 2009. He married, CVCS graduate, Michelle True on June 22, 2013 and was suddenly taken to be with Jesus in a Boise River surfing accident on July 20, 2013. Michelle and his parents, Gary and Carla Wood, saw this earthly tragedy as an opportunity to set up a scholarship fund for determined and compassionate students who had gifts and learning styles similar to Taylor.
- This \$500-\$1000 scholarship will help students from Cole Valley Christian enter a technical program to achieve their goals of gaining a productive certificate or degree. Programs include, but are not limited to, auto mechanics, culinary, visual art, design, computer programming, barber or cosmetology, massage. A scholarship of \$500 will be awarded for the first semester. If the student's grades and the student's advisor gives a recommendation for second semester, an additional \$500 will be awarded.
