You may [click here](#) to access the picture packet order form to print, fill out and send in with your student, or you may also order on the Parker Portrait's website by [clicking here](#). Please watch for an email coming soon from Parker Portrait's explaining the order process in more detail. **Wednesday, 8/22** will also be a make-up day for any high school students that did not get their pictures taken on 8/15.

DRESS CODE REMINDERS

- Please remember that dress code also applies to all CVCS sporting events. If a student is in dress code violation at a game, they will be asked to change or leave. We have communicated this to all the students the first week of school. [Click here](#) to find specific dress code information.

DROPPING OFF AND PICKING UP YOUR STUDENTS AT THE SECONDARY CAMPUS

- **Drop Off/Pick Up Route has CHANGED** – To keep the students safer and eliminate students crossing in front of traffic, we have changed the Drop Off/Pick Up route. [Click here](#) for a map which we keep on our website under Student Life – Secondary Campus Resources – Traffic Flow Patterns.

NEW LUNCH POLICY

- **No more negative charges.**
 - If your child is low on lunch funds and does not have enough to cover the main meal for that day, they will have the opportunity to purchase a "Charger Meal" for a smaller cost. Our Charger meals will consist of a well-balanced variety of options that will satisfy their hunger and keep them from overspending.
- We have a closed campus for 7th – 10th grade students. This means that 7th – 10th graders are only allowed to leave campus if picked up and signed out by a parent or another designated adult.
- Lunch is served in the Commons
- Microwaves are available in the Commons
- Parents can prepay and set up a lunch account for their student in the office during school hours, or during lunch at the lunch counter.
- Lunch specials are available every day as well as a variety of other items such as string cheese, fruit leather, milk, yogurt, fresh fruit, nuts, granola bars, chips and trail mix. Please check out the [CVCS Secondary Lunch Menu](#).
- Your contact for more information on lunch accounts is [Anna Bayless](#).

REPORTING ATTENDANCE

- To report an absence, please email attendance@cvcsonline.org. The receptionist desk is covered by more than one person, so to ensure that we receive your communication regarding attendance, it's key that you use the attendance email address versus an individual.
- To communicate that your student will be arriving late or leaving early, use the same procedure as above.

- To help ensure that your student is released from a class on time when you need to pick them up early, please email a few hours ahead, or send in a note that morning or even the day before. This will aid in the prevention of interruptions throughout the day.

PURCHASING THROUGH SMART TUITION

- The Business Office has been working this summer to update our processes utilizing the systems we have in place and hopefully, will help families with budgeting and seeing what you have purchased for your student(s). We are trying to reduce our paper usage, so we will be utilizing Smart Tuition Shopping Cart for families to pay for their optional fees. Each fee is set up specific to a student's grade, so a fee won't be accidentally selected that is not relevant to the student.
 - **Activity Card** - Once you purchase the activity card, your student(s) will receive a new card for the school year. **Purchase must be made by August 31, 2018.**
 - **Shuttle Bus Pass** - Please note, the annual bus fee has increased to \$450/student. **Purchase must be made by August 30, 2018.**
 - **Charger Blue Family Activity Pass** - Select one student and purchase for entire family.
- [Click here](#) for instructions on how to use this feature
- If you have questions please, don't hesitate to reach out to the Business Office businessoffice@cvcsonline.org.
