PTF Staff Christmas Gift Program

The wonderful time of year has come when the Cole Valley Christian PTF would like to provide an opportunity for your family to bless our teachers and staff this Christmas through a voluntary Christmas Gift Program! We can make a difference in the lives of those people who devote their time, energy and love on a daily basis to educate our children through the work that God has called them to do. What a tremendous blessing to our families! There is no question what makes the real difference in the lives of our kids. The dedicated staff and faculty at CVCS who bless our children and our families make significant financial sacrifices to serve at CVCS. This program offers an opportunity for each family to bless them at whatever level God lays on your heart.
