Looking for Enrichment Class Instructors

We are always looking to expand and grow our enrichment class offerings. This is a great opportunity to share your gifts and talents while earning a little extra money. These classes occur 1 day a week for 9 weeks after school. These classes give our students an opportunity to explore different extracurricular interests. If you're interested in teaching one of our enrichment classes please contact Mandi at (mandi.papac@cvcsonline.org)

Friendly Reminder:

Put your child's first and last name in their coats to help us find the owners of lost coats. If you have lost a coat make sure you are checking the lost and found.
