- Click on Enrichment Classes
- Click on Enroll Now

Reminder: All classes are first come first serve. There will be no refunds issued once you are registered.

<sup>\*\*\*</sup> A link will also be sent out in the Elementary News for you to click on and register as well.

# **Class Descriptions:**

#### Playdough Fun

Mondays: Grades K-5th
Location: Modular 1
Instructor: Mrs. Escobar
Class Limit: Min-5/Max-20

Let's play with playdough! Come with your imagination to create and play with playdough. We will feature a new activity and challenge each week. Glitter, mixing colors, guess the fossil print and so much more. Students will bring home playdough at the end of each class, choose from the prize box and play with bubbles. Snacks and refreshments included.

#### **Comic Book Creations**

Mondays: Grades 2nd-5th
Location: Modular 11
Instructor: Mrs. Jones
Class Limit: Min-5/Max-24

Do you love to draw, tell stories, or make up fun characters? Comic books use art and words to tell amazing stories. Learn how to draw actions, sound effects and design your own original character. Become the author and illustrator of your very own comic book you get to take home and share! All materials provided, just bring your imagination.

#### **Holiday Fun**

Mondays: Grades Preschool - 1st

Location: Modular 8B

Instructor: Ms. Burnside & Ms. Distefano

Class Limit: Min-10/Max-20

Experience the joy of the holidays through imagination, creativity, teamwork, and fun! We'll explore Fall, Pumpkins, Thanksgiving, Winter, and Christmas themes, diving into the wonder of each. Every week features a new theme with a story to spark imagination, a delicious snack to make and munch, and a festive activity that brings everyone together!

#### **Pickleball**

Tuesdays: Grades 3rd-5th

Location: Gym
Instructor: Mr. Wells
Class Limit: Min-8/Max-16

Pickleball skills class for beginners, have fun learning a game that is growing in popularity. This is a great way to get introduced to the sport or practice skills you are working on in your game. Enjoy games, drills, and fun with friends. Rackets are provided, and courts are set up for practice. Mr. Wells is looking forward to working with those interested in learning or improving in Pickleball.

#### Run Club

Tuesdays: Grades 3rd-5th

Location: Field

Instructor: Mrs. McDowell Class Limit: Min-5/Max-30

Through running we strive to show students they have God given abilities beyond what they thought or imagined to be possible. They will then find themselves on a path to a healthier life. We will focus on running basics including form, pacing, stamina, and goal setting. Open to all ability levels.

Commit - Acts 2:42 Connect - Proverbs 27:17 Succeed - 2 Timothy 4:7

#### Made to Create for the Holidays

Tuesdays: Grades K-5th
Location: Room 4
Instructor: Ms. Tefft
Class Limit: Min-5/Max-16

God is our amazing Creator, and you were made in His image! So you can be creative, just like Him! In this session we will make holiday-themed crafts, including fall pumpkins, Thanksgiving turkeys, and Christmas ornaments. The last week of class will include a cookie decorating activity! Each week you can choose a craft from one of the provided ideas, or you can create your own idea using the supplies in the craft carts.

#### **Cookie and Cupcake Decorating**

Tuesdays: Grades 1st-5th Location: Modular 5

Instructor: Mrs. Bishop & Mrs. Given

Class Limit: Min-8/Max-24

Join us for a fun and creative Cookie and Cupcake Decorating Class! Whether you're a beginner or an experienced baker, this class is designed to help you master the art of decorating delicious treats. You'll learn a variety of techniques using piping bags, tips, and other tools to create beautiful designs. Come learn how to transform plain cookies and cupcakes into beautiful, edible works of art. As a special bonus, you get to keep the decorating tools you use in class!

#### **LEGO Challenge Class**

Tuesdays: Grades 1st-5th
Location: Room 3
Instructor: Mrs. Millette
Class Limit: Min-5/Max-12

Each week, students will dive into a brand-new LEGO challenge designed to spark creativity and imagination. Through hands-on building, kids will express their ideas, practice design thinking, and grow their problem-solving skills. Every challenge includes fun "prepare to share" questions that encourage students to reflect on their process and talk about their creations with others. Whether your child is brand new to LEGO or already a master builder, this class is designed for all levels. With scaffolded challenges that meet every ability, kids will be supported, inspired, and excited to build each week. We can't wait to create together!

#### **Volleyball**

Wednesday: Grades 3rd-5th

Location: Gym Instructor: Mrs. Slee

Class Limit: Min-10/Max-25

This beginner-friendly class will introduce girls to volleyball in a fun, age-appropriate way. We'll focus on teamwork, court movement, and early skill development like passing, setting, and controlled hitting. Students will build coordination, footwork, confidence, and a love for the game - all while having fun and playing together!

#### Free Time Fun Time

Wednesdays: Grades K-5th
Location: Modular 11
Instructor: Mrs. Haserot
Class Limit: Min-5/Max-15

During this enrichment session students will get to have some fun free time! I have tons of open-ended building material, Legos, dinosaurs, puzzles, Lincoln Logs, brain flakes, hashtag cubes, and much more. Kids will have fun while letting their creativity flow!

#### **Christmas Ornament Making**

Wednesdays: Grades K-5th
Location: Modular 11
Instructor: Mrs. Stafford
Class Limit: Min-5/Max-12

Each week, students will create a handmade Christmas ornament, resulting in a collection of six unique keepsakes to take home. Projects include a wooden "Names of God" ornament using Mod Podge, a painted salt dough ornament, and a special picture keepsake ornament, among others.

#### Sign Language Club

Wednesdays: Grades 2nd-5th
Location: Modular 12
Instructor: Mrs. Butz
Class Limit: Min-5/Max-24

Come join the Sign Language Club! We will learn basic sign language skills, such as the alphabet, numbers, greetings, and a chapel worship song. This is a fun and interactive class to help you get started with learning sign language. Snacks will be provided.

#### Art to Treasure: Keepsake Creations After School

Wednesdays: Grades K-5th
Location: Modular 2
Instructor: Mrs. Gunter
Class Limit: Min-5/Max-20

Let your child's creativity shine in this fun and hands-on after-school class! Students will design their own artwork and transform it into special keepsakes like keychains, magnets, and more. Each week brings a new project and a chance to turn imagination into something they can hold, gift, or keep forever!

#### **Shine Your Light Worship**

Wednesdays: Grades 1st-5th

Location: Room 3

Instructor: Mrs. Millette and Mrs. Falconer

Class Limit: Min-10/Max-20

Get ready to worship in a whole new way! In this high-energy class, students will learn a joyful worship song complete with fun, easy-to-learn motions. We'll add excitement and creativity by incorporating light-up props for a dynamic performance that shines bright—literally! Along the way, kids will build confidence, coordination, and teamwork all while expressing their faith through music and movement. The class will conclude with a special performance for the whole school during Chapel, where students will share their song, motions, and glowing enthusiasm for God!

#### Pokémon Club: Trade. Unbox, & Battle!

Thursdays: Grades K-5th
Location: Modular 2
Instructor: Mrs. Gunter
Class Limit: Min-5/Max-20

Calling all Pokémon trainers! Join us after school for a fun-filled adventure where students can share their collections, trade cards, unbox new surprises, and take on weekly Pokémon-themed challenges. Whether you're a seasoned collector or just starting out, this club is the perfect place to connect, play, and celebrate all things Pokémon! Please Note: This class is only a 6-week class as there is No school on November 6<sup>th</sup>

#### **Minecraft Makers**

Thursdays: Grades 1st-5th Location: Modular 5

Instructor: Mrs. McDowell and Mrs. Bishop

Class Limit: Min-5/Max-30

Each week in Minecraft class students will dive into the world of Minecraft Education to create various projects. Students will be challenged to engage in projects that connect to various content areas that they encounter each day in school from reading, to math, to science and social studies. This fast paced and engaging class will be perfect for everyone from Minecraft Experts to Minecraft Beginners. Note: We will be utilizing Minecraft Education so there will not be any online gameplay to ensure the students are engaged in a safe learning environment. Please Note: This class is only a 6-week class as there is No school on November 6<sup>th</sup>

#### **3D Printing**

Thursdays: Grades 2nd-5th

Location: Room 2
Instructor: Mr. Nielebeck
Class Limit: Min-5/Max-15

Join us for a hands-on journey into the world of 3D printing! Students will learn how to design and create their own 3D models using the Tinkercad software and watch their ideas come to life layer by layer. Students will also learn the basic hardware of a 3D printer and the basics of how filament printing works. 3D printing has taken off in the STEM world and allows a designer to create just about anything they can think of; each project encourages creativity, problem-solving, and design thinking. Please Note: This class is only a 6-week class as there is No school on November 6<sup>th</sup>
